

Softball City Administrative Rules for 2022 League Play

Section 1 – Slo-Pitch National

Softball City Slo-Pitch leagues will be affiliated with Slo-Pitch National (SPN) for the purposes of obtaining all updated information on the sport of Slo-Pitch and to allow any of our teams to participate in the Divisional, Provincial and National SPN tournaments.

Section 2 – Player Eligibility

1. To be eligible to play on a sanctioned team, a player must meet the following requirements:
 - a) All players must be 19 years of age or older during the season.
 - b) Government PHOTO ID must be produced within 24 hours during the regular season and upon request during the playoffs. If no ID is produced within the specified time frame the team will forfeit the game.
 - c) Teams can make a written request to Softball City for permission to have players that are 16, 17 or 18 years old on their roster. It will be the final decision of Softball City to allow/disallow the request. A parent or guardian's consent will be required if the player is allowed to play. For safety issues, no exceptions will be made for any player under the age of sixteen.
 - d) Consequences: League and Round Robin games, teams may be penalized regardless of when played. If the player is found to be in contravention of the above, the game will be a forfeit.

Section 3 – Roster

1. A team's roster (copy of the SPN Online Registration Roster) must be completed and returned to Softball City prior to the first scheduled league game of the season.
2. A team may carry a maximum of forty (40) players plus a non-playing coach. A playing coach must be listed as a player. Players can only be listed on one (1) team's roster.
3. Each player MUST be named on the roster. Failure to do so shall constitute an incomplete roster.
4. Inclusion of an individual's name on the roster is an indication that the individual is aware of and will abide by Softball City rules, regulations, and intent.
5. Failure to supply the required roster by the stated date will carry a fine of one hundred (\$100) dollars to the team and forfeiture of all games played until the roster is submitted. After two (2) forfeitures, Softball City will determine the future of the offending team as pertaining to continued membership within the league.
6. Teams may add players if sufficient space exists on their SPN Roster Sheet. The deadline is four weeks after the start of the season. Teams may remove a player from their roster due to an injury to create additional roster space. To add or delete a player, Softball City must be informed in writing and the online roster must be updated.
7. Players may transfer once during the first four weeks of the season from one team to another provided that the team the player wishes to transfer to has space on their SPN Roster Sheet. Softball City must be notified of this transfer. Failure to do so will nullify the transfer.

Section 4 – League Structure

As teams choose the night they play versus playing by a specific skill level, there will be teams of varying ability on each night. For league play, there will be no divisional separation. For playoffs, Softball City will review the standings from league play to determine whether there will be a single division or multiple divisions.
